

# CALL FOR PAPERS

**DEEPPAKE AND SYNTHETIC MEDIA: Multimedia Technologies for Personal Data Security, Trust, and Digital Integrity**

## KEYNOTE SPEAKER

**Prof. Yudho Giri Sucahyo**  
Faculty Of Computer Science  
Universitas Indonesia

**Dr. Olivier Haas**  
Centre for Future Transport and Cities  
Coventry University

## WHAT IS IC2IE?

IC2IE is an annual international conference organized by Department of Informatics and Computer Engineering of Politeknik Negeri Jakarta (PNJ), focusing on advancement of computer and informatics engineering field. Established since 2018, IC2IE has been held annually as onsite/virtual hybrid conference to ensure broad global reach and engagement.

## SUBMISSION

Submission must be done via EasyChair on:  
<https://easychair.org/conferences/?conf=9thic2ie>

Our previous conference was technically sponsored by IEEE Indonesia section and the proceeding was published in IEEE Xplore and indexed by Scopus.

## TOPICS

Paper covering one of the following topics are eligible for submission:

- **Signal Processing & Analysis**  
Signal, image, and video processing
- **Computer & Processing**  
Artificial intelligence, pattern recognition, natural language processing, image processing & computer vision, etc.
- **Robotics & Control System**  
Embedded system, formal methods, robotics, control & automation, human-computer interaction
- **Communication, Networking & Broadcasting**  
Network & telecommunication systems, computer network & architecture, cloud & grid computing, digital forensics
- **Components, Circuits, Devices & Systems**  
The Internet of Things, remote sensing, ubiquitous system & infrastructure, infrastructure systems & services
- **Bioengineering**  
Biomedical engineering, bioinformatics information systems & technology

## IMPORTANT DATES

- **1 July 2026**  
Paper submission deadline
- **1 August 2026**  
Notification of acceptance
- **28 August 2026**  
Camera-ready submission deadline
- **4 September 2026**  
Registration and payment deadline
- **10-11 September 2026**  
Conference Day

## REGISTRATION FEE

Category	International (USD)	Indonesian (Rp)
Presenter (IEEE member)	425 (onsite)   325 (virtual)	4.000.000 (onsite)   3.000.000 (virtual)
Presenter (non-member)	475 (onsite)   375 (virtual)	4.750.000 (onsite)   3.750.000 (virtual)
Student (IEEE member)	325 (onsite)   275 (virtual)	3.750.000 (onsite)   2.750.000 (virtual)
Student (non-member)	375 (onsite)   325 (virtual)	4.250.000 (onsite)   3.250.000 (virtual)
Non-presenting participant	225 (onsite)   125 (virtual)	2.000.000 (onsite)   1.000.000 (virtual)
